25 September 1965

MEMORANDUM FOR : Assistant Director (Special Activities)  
SUBJECT : Advanced Aircraft Program  
REFERENCE : Activity Program (OSD-64-6)

1. This memorandum is for information only.

2. Attached is a first draft of a statement of work for the effort at General Dynamics, Fort Worth, item 2A of reference. The parameters given under GUIDE LINES are subject to modification; this can be done after the study is under way, as modifications will be small. The scope of work contemplated at Lockheed would be similar.

3. In addition, we plan to investigate sponsoring similar work at McDonnell Aircraft or at Boeing Aircraft.

25X1A

4. Potential contractors for the radar investigations are [redacted]  
[redacted] We will discuss this at greater length, after the activities of the reference are under way.

25X1A

JOHN PARAMONKY  
Deputy for Technology  
(Special Activities)
